

CENTER PLATFORM SPEEDS SERVICE

*****STAR FEATURES OF THE CHICAGO SUBWAY
*Ventilation *Illumination *Escalators *Safety *Comfort

69 AIR VENTS and 26 huge electrically operated Fans bring over three million cubic feet of pure air into the subway every minute, insuring perfect ventilation.

"Daylight" Fluorescent illumination without glare or shadows and reversible type Escalators add to the comfort and pleasure of subway travelers.

Travel in the Chicago Subway is pleasant and comfortable, speedy and safe.
